Agreement

FINANCIAL INFORMATION

Seaview Calisthenics College is a not-for-profit organisation that is incorporated as an association for the benefit of members. Our costs have to be met through a combination of fees paid by members and any other funding the organisation can obtain, e.g. from fundraising activities and government grants.

In order for our club to remain financially viable, it is essential that all team members pay their share of participation costs.

It is the responsibility of the organisation's Executive Committee to determine team member fees and the responsibility of team members to pay their fees on time.

Annual Fees (What you need to pay)

Annual fees calculated for Seaview Team members include:

- weekly lesson costs (e.g. hall hire and coach allowance)
- entry fees for our teams to participate in State Calisthenic Championships
- theatre hire for our concerts and stage practice sessions
- costume costs (hire of leotards, trim and making of 'Fancy' costume)
- hair and makeup supplies (excludes wigs and dance shoes)
- stage props
- sundry expenses including administration, singing tuition (where applicable), music and video projection costs.

The following 2021 annual fees are based on a minimum of 8 participating team members in each of the Seaview Teams.

(Calisthenics Season starts late January – August Demonstration / Competitions)

Term 4 is additional to the below costs – TBA when our new season starts

Team Section	Fees	Costume	Total
Tinies	\$250	\$100	\$350
Sub Juniors	\$430	\$180	\$610
Juniors	\$555	\$240	\$795
Inters / Seniors	\$555	\$240	\$795
Masters	\$350	TBA*	\$350*

NB : The Executive Committee may vary the above amounts * where required (e.g. due to changes in external charges incurred by the club). All costs are to be covered by the members of teams on a shared basis.

An **annual registration fee** of \$95.00 for the first child and \$80.00 for any subsequent children in a family also applies. This fee covers registration with CASA and CASA levies for team members' insurance, music use, theatre maintenance, costume insurance and administration costs.

Aesthetic costumes

In 2021 Junior, Intermediate and Senior teams have Aesthetic/Rhythmical Aesthetic as a core competition item as well as a dance/song & dance-type item. The cost of this additional Aesthetic costume is not included in the fees shown above. The cost will depend on whether costumes are hired (\$30 hire fee), made (cost depends on type of

material, trimming and heights of girls). All efforts are made to include this in the Fancy Costume Fee.

New members

The Treasurer will adjust fees due and payment plan for any new members starting after the first lesson for the year.

Payment Plan (When to pay)

There are set dates by which Seaview Calisthenics College must make payments to the Calisthenic Association of South Australia (CASA) and other suppliers to enable our members to participate in competitions, maintain insurance and other legal requirements, and cover the costs of costumes, etc.

The payment plan is designed to ensure that sufficient funds are available from members' fees to cover these costs when they fall due.
